

In **NDT** we trust

EMPOWERED BY PEOPLE

SIMPOZIONUL INTERNAȚIONAL

Ed.32 / Mamaia, România
26-28.08.2026

Invitation to the 32nd Edition of the ARoEND International Symposium

The Romanian non-destructive testing community is far more than a field defined by technologies, standards, and equipment. It represents people — dedicated professionals and generations who, together, have built a culture of responsibility, performance, and trust.

The Board of Directors of the Romanian Association for Non-Destructive Testing is honored to invite you to participate in the 32nd Edition of the ARoEND International Symposium — an event that, year after year, strengthens professional relationships, builds bridges between generations, and reaffirms the strength of the NDT community.

The ARoEND Symposium is a forum where experience meets innovation, where ideas are transformed into solutions, and where every individual contribution becomes part of a collective effort dedicated to safety, quality, and progress.

*The event will take place from **26–28 August 2026** in the traditional venue of Mamaia, Constanța, Romania.*

We are honored to include in the symposium program papers addressing the following topics:

- *Developments and innovations in the field of non-destructive testing — methods, techniques, equipment, and specific applications;*
- *NDT personnel qualification and certification;*
- *Case studies and technical solutions applied in industrial and laboratory activities;*
- *Fundamental research and applications aimed at improving quality and safety standards in industry.*

Guidelines for Paper Submission

- *The title of the paper must be submitted in both Romanian and English;*
- *The abstract (10–12 lines) must be submitted in both Romanian and English (title in bold Arial 12, abstract in Arial 10);*
- *The full paper must be submitted in Word format, with a maximum length of 12 pages;*
- *Oral presentation duration: maximum 15 minutes;*
- *Organizers will provide technical support and video projection equipment.*

The title and abstract of the paper must be submitted by 15 June 2026, and the full paper by 1 August 2026.

Participation confirmation shall be made by sending the completed registration form to: ego_adrian@yahoo.com

Participation Fees

Until 15 June 2026:

- *RON 300.00 + 21% VAT/person (ARoENd members)*
- *RON 400.00 + 21% VAT/person (non-members)*
- *RON 210.00 + 21% VAT/person (accompanying persons – gala dinner)*

Starting from 16 June 2026:

- *RON 350.00 + 21% VAT/person (ARoENd members)*
- *RON 450.00 + 21% VAT/person (non-members)*
- *RON 210.00 + 21% VAT/person (accompanying persons – gala dinner)*

Authors of papers presented during the symposium benefit from a 50% reduction of the participation fee.

Accommodation, meals, and transportation expenses shall be covered individually by each participant.

We warmly invite you to be part of this edition, which celebrates not only technical progress, but also the professional solidarity, responsibility, and passion that define the NDT community. Together, we strengthen standards, build trust, and shape the future of non-destructive testing.

On behalf of the Board of Directors,

ARoENd

President

Cezar-Petru Ardeleanu Blaga
